

Do you know someone who was married during the years 1941 - 1945? Do they have a photo of their wedding or a picture of the two of them together? **KEEP THE SPIRIT OF '45 ALIVE** is creating an archive of these photos. The first 1,945 photos we receive will be included in a mosaic of the famous "Times Square Kiss" that will be unveiled on August 14, 2012.

Send Photo and Story to them to:

KEEP THE SPIRIT OF '45 ALIVE! is a non-profit, non-partisan initiative to raise public awareness about National Spirit of '45 Day so that it is observed every year in communities throughout America.

In 2010, Congress unanimously voted in support of the observance of a new national day of remembrance to preserve and honor the legacy of the men and women of the generation who endured the hard times of the Great Depression, won World War II and then led an unprecedented effort to help assure a better future for the children and grand children of both friend and former foe alike.

By observing Spirit of '45 Day on the second Sunday in August every year Americans of all ages and backgrounds can help assure that the courage, self-sacrifice, "can-do" attitude and commitment to community of our "greatest generation" will continue to inspire America, especially at a time when our country must come together to meet major new challenges.
